Report of Public Policy Discussions from March 2014 to April 2015

The discussions take place on the PPAC mailing list, archived at:

http://lists.isoc.ch/mailman/private/ppac/

The following issues were discussed: network neutrality, IANA transition, surveillance (in particular, revision of BUEPF).

Specifically, it was agreed that ISOC-CH would not formulate a position regarding the IANA transition, and that ISOC-CH would not join EURALO.

It was agreed that ISOC-CH would join the Digitale Gesellschaft, and an input to ITU's Council Working Group on international Internet public policy issues was agreed and submitted to ITU.
